

**Regathering in Person Phase in Plan Condensed Summary
September 2020**

St. Mary's Red Phase: Conditions, Indicators and Protocols	St. Mary's Purple Phase (CURRENT): Conditions, Indicators and Protocol	St. Mary's Green Phase: Conditions, Indicators and Protocol	St. Mary's Blue Phase: Conditions, Indicators and Protocol	St. Mary's Gold Phase: Conditions, Indicators and Protocol
Description of Condition	Description of Condition	Description of Condition	Description of Condition	Description of Condition
No in-person gatherings	Significantly limited gatherings (approx. 12-20 in person) with strict safety/health protocols.	Somewhat limited gatherings (approx. 25-40 in person) with rigorous safety/health protocols.	Increased number of persons allowed for gatherings with easing safety protections, if appropriate.	Unlimited size of gatherings with modest or no protections.
Public Health Indicators	Public Health Indicators	Public Health Indicators	Public Health Indicators	Public Health Indicators
Covid-19 Infection rate in SF rising or fluctuating and unstable.	Covid-19 infection rate in SF stable and/or decreasing.	Sustained reduction in cases for 14 days in SF; increased availability of contact tracing resources	Downward trend in cases over a sustained period of time.	Negative community spread; readily available vaccination or effective therapeutic; mass testing
St. Mary's Safety and Health Precautions	St. Mary's Safety and Health Precautions	St. Mary's Safety and Health Precautions	St. Mary's Safety and Health Precautions	St. Mary's Safety and Health Precautions
Church campus visitation limited to essential needs with safety precautions (e.g. masks, sanitation) if on church campus.	Newly created safety and in-person protocols and guidelines are in place that adhere to prevailing state, city and Diocese guidelines. Sufficient supply of PPE and cleaning supplies (EPA approved list) readily available.	Revise, as necessary, in-person protocols and safety guidelines in addition to cleaning guidelines that address possible use of church campus, other sites and increased size of gatherings that adhere to prevailing state, city and Diocese guidelines.	Continue to revise in-person protocols and safety guidelines, as necessary.	Safety and health protocols adhere to best practices as outlined by city, state and Diocese. Continue to monitor and revise, if necessary.

WORSHIP & WORSHIP MINISTRIES	WORSHIP & WORSHIP MINISTRIES	WORSHIP & WORSHIP MINISTRIES	WORSHIP & WORSHIP MINISTRIES	WORSHIP & WORSHIP MINISTRIES
No in-person worship. Virtual worship streamed live (live music from church). Integrate lay participants into worship. Other worship ministries temporarily paused.	Continued virtual worship and possibility of open-air site(s) in the city with "touchless" worship. Church campus remains closed. Lay participants integrated into services, as appropriate. Other worship ministries temporarily paused.	Possible church courtyard and/or open air site(s). Continued virtual worship. Green phase may include possibility of limited return to inside of church with restrictions. Continue to monitor ecclesiastical authorities/health recommendations on Eucharist, singing, and group recitation.	Return to inside of church with some restrictions. Virtual services continue. Continue to monitor ecclesiastical authorities/health recommendations on Eucharist, singing, group recitation, continue use of no touch alternatives. Continue re-integration of worship ministries, including vocal ensembles/choir, if appropriate.	Return to inside of church with minimal or no restrictions and integrating best practices. Possibility for continuation of virtual services. Worship ministries more fully integrated.
FAITH FORMATION CLASSES & SOCIAL GATHERINGS	FAITH FORMATION CLASSES & SOCIAL GATHERINGS	FAITH FORMATION CLASSES & SOCIAL GATHERINGS	FAITH FORMATION CLASSES & SOCIAL GATHERINGS	FAITH FORMATION CLASSES & SOCIAL GATHERINGS
No in-person faith formation classes or social gatherings. Social gatherings & formation classes, book studies, etc. (adult and children, youth) online.	In addition to online formation classes and gatherings, some small groups - with consistent membership - might gather outdoors by regions.	Options offered in Phase 2 (purple) phase may expand with some larger gatherings outdoors or possibly on church campus.	Continuation of Phase 3 (green) with some modifications, as needed. Planning accelerates in anticipation of Phase 5 (gold).	Return to inside of buildings on church campus with minimal or no restrictions. Possibility for continuation of virtual ministry meetings.
OTHER MINISTRIES	OTHER MINISTRIES	OTHER MINISTRIES	OTHER MINISTRIES	OTHER MINISTRIES
Ministries gather online or temporarily paused	Ministries continue online; very limited opportunities to provide service to community while adhering to the restrictions of strict safety protocols.	Ministries continue online; more opportunities to provide service to community with priority given to serving larger groups of people that require fewer volunteers.	Some ministries may be fully revived while others adapt services to community to prevailing health/safety guidelines.	Return to church campus buildings and to other off campus sites where ministry takes place with minimal or no restrictions; possibility for continuation of virtual ministry meetings.
** Conditions and Indicators: St. Mary's protocols are based on the most conservative of prevailing state, city and Diocese guidelines.				
**Phase in plan for administration/office functions and outside groups may be found on the full summary plan found on St. Mary's web-site
